

Make Traverse City safe for everyone by clearing snow and ice from the sidewalks around your property.

The Traverse City Streets Division is committed to clearing sidewalks after major events. However, we need your help with day-to-day upkeep and over the weekends.

As a reminder, under City Ordinance 668.11:

"The removal of snow and ice from private property and the sidewalk abutting or crossing private property shall be the responsibility of the occupant of such private property."

Be a good neighbor and offer help to those in your community who are physically unable to clear their own sidewalks.

Let's make our city safe and accessible for everyone.

If you have questions or if there is an area that is being neglected, please let us know.
